MARCUS VALE

HOMESCHOOL PLANNER
& RECORD KEEPER

Undated - start in any month, use for any school year

This planner belongs to

_____

_____

122 PAGES - PLAN, TRACK & KEEP RECORDS

Monthly & weekly planning - Attendance - Grades - Reading logs
Field trips - Goals - Progress reports - Portfolio checklists

Printable PDF - US Letter - Print the pages you need, as often as you need

How to Use This Planner

Print what you need, when you need it - every page stands alone

This planner is UNDATED on purpose: start in August, January or any month, and reuse it year after year. Print single pages as you go, or print a full set and keep it in a binder.

A simple rhythm that works for most families:

1. Fill in the Family & Student Info pages once, at the start.
2. Sketch the year on the Year at a Glance pages.
3. Plan each month on the Monthly Planner spreads.
4. Plan each week on the Weekly Lesson Plan pages, and keep the Daily Lesson Plan pages for detailed days.
5. Mark attendance daily, and record grades and reading as you go.
6. Close each quarter with a Progress Report and the Portfolio Checklist - your records stay tidy all year.

License: Personal Use. Print any or all pages as many times as you like for your own family's homeschool. Please do not share or resell the digital PDF file itself, upload it anywhere, or sell printed copies. Full terms are on the last page.
